

2014 Recommended Electrical Code with no Amendments

A **resolution** of the **Central Iowa Code Consortium** recommending adoption the 2014 edition of the *National Electrical Code*, regulating the minimum energy conservation requirements for new buildings.

The **Executive Committee** of the **Central Iowa Code Consortium** does ordain as follows:

Section 1. That a certain document, being marked and designated as the *National Electrical Code*, 2014 Edition, published by the National Fire Protection Association, 1 Batterymarch Park, Quincy, MA 02169-7471, be and is hereby recommended as the Electrical Code of the participating communities of the **Central Iowa Code Consortium**, for the purpose of practical safeguarding of persons and property from hazards arising from the use of electricity.

Section 2. That the following sections are hereby revised:

None. Adopted with only the amendments adopted by the State of Iowa, no additional amendments.

FINAL RECOMMENDATION
