The Central Iowa Code Consortium does not provide copies of code books to individuals that apply to serve on a Code Committee. Committee participants are expected to have their own copies of code books and have access to the resources necessary to review codes as necessary to participate in committee review and discussion.

I am interested in serving on the following Committee(s):

\_\_\_\_\_ Electrical (NEC)/Energy Codes (IECC) - provides technical expertise and support on electrical matters as they relate to the adoption, enforcement, application and interpretation of the provisions of the adopted electrical code and standards and CICC amendments. Provides technical expertise and support on energy conservation matters as they relate to the adoption, enforcement, application and interpretation of the provisions of the adopted energy conservation codes and standards and CICC amendments.

\_\_\_\_\_ Fire Code (IFC) – provides technical expertise and support on fire and life safety matters as they relate to the adoption, enforcement, application and interpretation of the fire and life safety provisions of the adopted fire codes and standards and CICC amendments.

\_\_\_\_\_ International Building Code (IBC)/International Existing Building Code (IEBC) - provides technical expertise and support on commercial construction as they relate to the adoption, enforcement, application and interpretation of commercial construction code and standards and CICC amendments.

\_\_\_\_\_ International Residential Code (IRC) - provides technical expertise and support on residential construction matters as they relate to the adoption, enforcement, application and interpretation of the provisions of the adopted residential construction code and standards and CICC amendments.

\_\_\_\_\_ Mechanical (IMC)/Plumbing (UPC or IPC)/Fuel Gas Codes (IFGC) – provides technical expertise and support on mechanical, plumbing and fuel gas matters as they relate to the adoption, enforcement, application and interpretation of the provisions of the adopted mechanical, plumbing and fuel gas codes and standards and CICC amendments.

\_\_\_\_\_ Pool & Spa (ISPSC)/Property Maintenance (IPMC) - provides technical expertise and support on residential swimming pool/spa construction matters as they relate to the adoption, enforcement, application and interpretation of the provisions of the adopted residential swimming pool/spa code and standards and CICC amendments. Also provides technical expertise and support on property maintenance matters as they relate to the adoption, enforcement, application and interpretation of the provisions of the adopted property maintenance code and standards and CICC amendments.

\_\_\_\_\_ Joint Fire/Building Committee - provides technical expertise and support on matters that are shared sections in the fire and building codes as they relate to the adoption, enforcement, application and interpretation of the adopted building and fire codes and standards and CICC amendments.
