## Insert

This text is being proposed to be added to the 2018 International Code for adoption by local municipalities.

Provide your new proposed code to be added to the existing code as cited above. \*

Prohibit the use of a central return within a bedroom.

---

## Justification for Proposal

Provide reason to support your proposal based on the safety impact, enforceability, cost effectiveness, or unique location conditions

### Justification \*

Placing a central return within a bedroom can cause excessive noise for a homeowner and/or tenant. Proper planning and duct layout should prevent this issue.
